“Every new chapter begins *with love,*
at ATELIER Playa Mujeres”

ATELIER de Hoteles

Every great *love story* deserves a place worthy of its beginning.

ADH - ATELIER de Hoteles® was born with that very purpose, to turn moments into memories, and dreams into places that feel effortlessly real. A Mexican company guided by the belief that luxury is not excess, but essence; not perfection, but emotion.

Guided by its pillars

Handcrafted Hospitality®

Addictive Service®

Surrounding Technology®

Eco-Social Awareness®

They hold each experience together, because when it comes to love, there's beauty in what's crafted by hand, joy in what feels instinctive, and harmony in what's thoughtfully designed.

And so, the question is not if your perfect day can exist...

but where will it come to life?

ATELIER Playa Mujeres

Imagine a place where every *detail is intentional.*

ATELIER Playa Mujeres, where art breathes through the walls, the sea hums softly in the background, and time itself seems to slow down.

This **5+ Star All-Inclusive Resort** for adults sets the stage for an unforgettable wedding, with more than twenty restaurants and bars you can already picture yourself in this all-suites resort surrounded by art, nature, and the turquoise shimmer of the Caribbean.

A perfect backdrop for your “*I do.*”

A bride in a white lace wedding dress is holding a bouquet of flowers. The bouquet includes white roses, dark greenery, and some dried floral elements. The background is a soft-focus view of a beach with the ocean and a cloudy sky. The text is overlaid on the image.

“Have you ever imagined a day designed
just for you?”

Signature Weddings by ATELIER de Hoteles

From the first idea to the last detail, every moment is thoughtfully designed for you. Every stage of the day, every choice, every experience is guided, anticipating your needs so that all you have to do is enjoy.

With only one wedding per day, every celebration receives full attention. In spaces crafted for laughter, quiet moments, and connection, the day unfolds effortlessly, naturally, beautifully... just as you've dreamed.

A woman with long, wavy hair, wearing a white dress, is standing by a window with sheer curtains. She is holding a white envelope and looking down at it with a gentle smile. The scene is softly lit, creating a warm and intimate atmosphere. In the top left corner, there is a small, delicate green branch with leaves.

“And the magic begins...
How will your *perfect day look like?*”

Mix & Match: As easy as 1, 2, 3

Every love story has its rhythm, and yours deserves to dance to its own. That's why we created the **Mix & Match** concept, a simple way to design your celebration as a work of art.

“

Our destination wedding at Atelier Playa Mujeres was absolutely unforgettable. From the moment we arrived, we knew we had made the right choice. The resort itself is a paradise, and everything (cuisine, layout, cocktails, room, pools, beach, etc.) about it exceeded our expectations.

Our wedding planner at Atelier, Alexandra worked with us and our other hired wedding planner to ensure that every detail was taken care of, making our dream wedding celebration come to life. We were lucky to work with them both! We're already planning our next trip back, with the entire crew as a reunion! Cannot wait. Thank you Atelier!

“

The concierge, Ivanna, was incredible in helping make the whole thing perfect and keeping it a surprise. Claudio with El Instante Photo & Cinema, inside the resort, captured the whole thing and is incredibly talented.

The photos turned out better than we could imagine and they are very quality professional photos.

Highly recommend staying at Atelier and also highly recommend working with both Ivanna and Claudio should you need anything special setup or photography during your stay.

“

This visit to the hotel exceeded our expectations with our fantastic roof top terrace room in building 1 (our favourite building), delicious food, amazing drinks and unbelievable service from all of the staff throughout the resort for the whole 28 days that we stayed at Atelier. We can't believe that everyday all of the staff will stop and talk to you, nothing is too much trouble and always done with a happy smile on their faces, we don't how they manage to make you feel like you are the only people at this resort.

Thank you to all of the staff that made our stay extra special, you are our dear friends.
